

Press release

Nada Miami Beach 2013

Stefan Rinck, Peter Schuyff, Jansson Stegner
From 05 December 2013 to 08 December 2013

Press Release

Each December in Miami, NADA runs a renowned art fair to vigorously pursue our goals of exploring new or underexposed art that is not typical of the "art establishment." NADA's fair is held in parallel with Art Basel Miami Beach and is recognized as a much needed alternative assembly of the world's youngest and strongest art galleries dealing with emerging Contemporary Art. It is the only major American art fair to be run by a non-profit organization.
